Key of G

## Chorus

G C G  
Carly Sue oh Carly Sue  
G C G  
I love her and she loves me too  
G C G  
Carly Sue was a rescue  
G D G  
But I think I got rescued too

D C G  
Now she's getting old just like me  
D C G  
We're in this thing together Carly Sue and me  
G C G  
She drops deuces in the yard and howls at the moon  
C G D G  
Makes them little boy dogs circle and swoon

## Chorus

D C G  
She goes to church on Sunday but she stays in the car  
D C G  
Then we go to Walmart it ain't too far  
G C G  
Hangs her head out the window just to see what she can see  
C G D G  
She posts her social media on tires and trees

## Chorus

D C G  
She loves it when I take her to the Sylamore  
D C G  
She can barely wait to get out that door  
G C G  
I can't hardly get her out of that creek  
C G D G  
I swear I think she'd stay a solid week
