

Does it Look Like You?

David Potts 2018

Key of G

Can you tell heaven from hell?
Do you know where you're going?
Do you live your life in constant strife?
Have you made peace with your maker?
Do you thank the Lord each and every day?
When you're troubled do you bow your head and pray?
Do you love your neighbor as your self?
Or have you put the Lord on a shelf?
Looking from above would you stand out from the crowd?
Do you sing unto the Lord and shout it good and loud?
Do you walk the walk or just talk the talk?
Is your light shining bright is your salt good and dry?
Is your fruit hanging low does the love of Jesus show?
Do you care what people think when you're standing on the brink?
Does your heart bleed
For those hungry and in need?
So mister can you spare a dime or just a little of your time?
Can you visit someone that a smile will do just fine?
Can you give them hug before their grave is dug?
And you just might ask yourself what would Jesus do.
And does it look much like you?
Can you tell heaven from hell?
Do you know where you're going?
