

# I'm Getting Old

David Potts

Key of G

<sup>G</sup> I'm getting old, <sup>C</sup> I'm always cold  
<sup>D</sup> My feet are numb and my <sup>G</sup> brain is slow  
<sup>G</sup> Don't expect me to remember your name  
<sup>D</sup> Cause all you geezers look the same

<sup>D</sup> Well I thought I'd be gone by now <sup>G</sup>  
<sup>A</sup> I don't even remember... how I got here <sup>D</sup>  
<sup>G</sup> So back off son, I'm gonna have some fun <sup>C</sup>  
<sup>D</sup> With the time I got left <sup>G</sup>

<sup>G</sup> Now fishing is my thing but I can't see the string <sup>C</sup>  
<sup>D</sup> And the hole in the hook is mighty small <sup>G</sup>  
<sup>G</sup> Sometimes I gotta pee from the front of the boat <sup>C</sup>  
<sup>D</sup> But I always feel like I might fall <sup>G</sup>

<sup>D</sup> Well I thought I'd be gone by now <sup>G</sup>  
<sup>A</sup> I don't even remember... how I got here so <sup>D</sup>  
<sup>G</sup> So hook the boat up son, were gonna have some fun <sup>C</sup>  
<sup>D</sup> With the time that I got left <sup>G</sup>

<sup>G</sup> Now who is that dude with the wrinkles on his face <sup>C</sup>  
<sup>D</sup> Walking down the sidewalk at a snails pace <sup>G</sup>  
<sup>G</sup> And who is that joker wearing all my clothes <sup>C</sup>  
<sup>D</sup> Standing in the window every where I go <sup>G</sup>

<sup>D</sup> Well I thought I'd be gone by now <sup>G</sup>  
<sup>A</sup> I don't even remember... how I got here so <sup>D</sup>  
<sup>G</sup> So hide the mirror son, I'm gonna have some fun <sup>C</sup>

With the time that I got left

So hide the mirror son, I'm gonna have some fun

With the time that I got left
