

# Too Much of a Good Thing Don't Last Too Long

Key of G

David Potts 2008

<sup>G</sup> Too much of a good thing I'd like to try that some time  
<sup>C</sup> It might happen in your world but it don't happen in mine  
<sup>G</sup> It don't come to often and it don't last too long  
<sup>C</sup> So you better reach and grab it cause it will soon be gone  
<sup>G</sup> Too much of a good thing don't last too long

<sup>D</sup> Too much of a good thing don't last too long  
<sup>C</sup> I'm just glad I took the time to put it in a song  
<sup>D</sup> It don't really matter if it's right or wrong  
<sup>C</sup> Too much of a good thing don't last too long

<sup>G</sup> Like all the sweet memories from back in your hometown  
<sup>C</sup> The feeling that you got when you wrote your first song down  
<sup>G</sup> When you held your new born baby and heard it's first sound  
<sup>C</sup> Like a scene from a movie that cannot be rewind  
<sup>G</sup> Too much of a good thing don't last too long

<sup>D</sup> Too much of a good thing don't last too long  
<sup>C</sup> I'm just glad I took the time to put it in a song  
<sup>D</sup> It don't really matter if it's right or wrong  
<sup>C</sup> Too much of a good thing don't last too long

<sup>C</sup> Too much of a good thing don't last too long
