

# Come To Me ©2019 BMI

Key of G

David Potts

Well he hung on a bloody cross  
So my soul would not be lost  
Jesus paid the price He made the sacrifice  
But I just ran till I felt his hand... and He said

## Chorus

Come to Me Come to Me  
I will show you what love's supposed to be  
Oh come to Me Come to Me  
Cause the world can't give you what you need  
So come to Me

He loved me before the world began  
For reasons I can't understand  
He'll never leave me I will always feel His hand  
Leading me to the promised land ... and I can hear him saying

## Chorus

It's time to pass it on that's why I sing this song  
Hoping that your soul will not be lost  
Jesus paid the price He made the sacrifice  
So turn to the Son You can feel God's love...  
...and and you can hear Him saying

## Chorus

Come to Me Come to Me  
I will show you what love's supposed to be  
Oh come to Me oh Come to Me  
Cause the world can't give you what you need  
So come to Me Oh come to me oh come to me  
Oh come to me oh come to me  
Cause the world can't give you what you need  
So come to me
