One day I'll walk on streets paved with gold  
Cause my sweet Savior He saved my soul  
He paid the ransom for my sin and shame  
When I get to heaven He'll know my name

## Ghorus

He'll know my name it's in the Lamb's Book of Life  
No more pain and no more strife  
Gods only Son He laid down His life  
So there's no other way but to trust Jesus Christ

Some day soon I'll be leaving this place  
Then I will see His bright shining face  
He came to this world to save His lost sheep  
I can hear His sweet voice when I lay down to sleep

## Ghorus

I pray for my friends and my family  
That someday we'll gather up in glory  
The multitudes singing far as the eye can see  
We'll praise our sweet savior for eternity

## Ghorus

There's no other way but to trust Jesus Christ
